# Create an Account

*The Instrumental Fanfare 2026 nomination platform is a new platform for the Fanfare program.*

Coordinating teachers must create an account to nominate an ensemble. It is recommended that the key contact teacher for your school (i.e. the person responsible for submitting entries and receiving communications) is the person who creates the account.

Unlike in previous years, schools may now have multiple platform accounts. However, it is important that schools coordinate internally to decide which staff member will act as the coordinating teacher and main contact for each ensemble to avoid duplication of confusion.

1. Use the link below to access the **Instrumental Fanfare Platform**. Please bookmark this link for future use.

<https://fanfare.awardsplatform.com/>

2. On the left hand side enter your email address to commence registering an account (we recommend a departmental email)
3. Click **Continue**

4. You will be prompted for a 6-digit Security Verification code that will be sent to your Inbox (*please check your Junk/Spam also*). Once received, please enter the code into the provided boxes.

### Festivals and Finals

#### Regional festivals

Regional festivals are held throughout May and June in various performance venues around the state.

Once nominations close, all schools receive further details regarding their regional festival via email from their Fanfare regional coordinator.

Every nominated ensemble will be allocated a session time for their performance at their relevant regional festival. This will be communicated through the coordinating teacher from the school by the relevant regional festival coordinator.

It is the responsibility of the school's coordinating teacher to inform the various conductors, teachers and ensembles involved from their school of these details.

Each ensemble performance will be professionally adjudicated.

The adjudicator will:

- provide positive and constructive feedback to the students and the conductor
- award each participating ensemble with a certificate at the end of their performance
- determine how many ensembles will perform and which ensembles will perform in the regional final.

Fees apply to all schools participating in Fanfare. Travel and associated expenses for schools to attend their relevant regional festival and regional finals must be covered by the school.
