Materials that are created by you or your child, whether as an individual or part of a team, may be replicated in full or modified for purpose. This includes copyright material, including written, artistic or musical works, video or sound recording created in connection with the project.

Personal information may include identifying each person who contributed to the creation. The material and personal information may also represent Indigenous knowledge or culture.

Purpose of the consent

This Project Consent Form relates to Creative Generation - Instrumental Fanfare 2024.

Creative Generation - Instrumental Fanfare is the biennial state-wide festival for bands and orchestras in Queensland State Schools showcasing outstanding music making that occurs in school ensembles.

The department, as the Instrumental Fanfare organiser, will collect your/your child's personal information for the purpose of managing the Fanfare program of events. Your personal information will be managed in accordance with the Information Privacy Act 2009 and will not be otherwise used or disclosed without your consent unless authorised or required by law.

By completing and returning this consent form, you agree for you/your child's personal information to be uploaded to the program database, to be collected, used and disclosed by the department for the purposes of participating in the program.

The department utilises AZAVISTA event technology for the program database. Information disclosed to AZAVISTA is used for event management purposes and is held for a period of one (1) year in their online database which is located in Australia (using local Google Cloud Services). Any data held by AZAVISTA is deleted within one (1) year after Instrumental Fanfare is completed. The AZAVISTA privacy policy can be found at: <https://www.azavista.com/privacy-policy>.

Department of
Education

It is the department's usual practice to take photographs or record images and occasionally to publish limited personal information and materials for the purpose of promoting Queensland education.

To achieve this purpose the department may use newsletters, its website, traditional media, social media or other new media as listed in the 'Media Sources' section below. The department may also use images on a range of materials including (but not limited to) advertising, marketing materials, presentations and publications.

Because of this, the Project Consent Form provides consent for personal information and a licence for materials to be published online or in other public forums.

The department holds images in its Digital Asset Management Library and these may be used by the Queensland Government to promote a range of initiatives.

The department needs to receive consent in writing before it uses or discloses an individual's personal information or materials in a public forum. The attached form is a record of the consent provided.

Voluntary

It is your choice whether to give consent.

Consent may be withdrawn

Consent may be withdrawn at any time by you.

If you wish to withdraw consent please notify the departmental contact in writing (whether by email or letter). The department will confirm the receipt of your request if you provide an address.

The department will endeavour to take down content that is in its direct control; however, published information and materials cannot be deleted and the department is under no obligation to communicate changes to consent with other entities/ third parties.

Due to the nature of the internet and social media (which distributes and copies information), it may not be possible for all copies of information (including images and materials), to be deleted or restricted from use once published.

Media sources used

The department will publish images and materials on a range of social media, websites and traditional media sources subject to your consent. Please see the following webpage for a full list of sources where the project may be published.
